

INFLUENZA VACCINES FOR THE WORLD

19-21 April 2017, CHUV, Lausanne, Switzerland

FIRST CIRCULAR AND CALL FOR PARTICIPATION FOR IVW 2017

Influenza Vaccines for the World – IVW 2017 is the sixth international conference and exhibition in this important series of influenza vaccine meetings. The IVW conference series focuses on 'Influenza Vaccination Issues'.

The IVW series is an international forum for world renowned experts in the field of influenza vaccines and related issues (adjuvants/delivery/vaccination strategies) to report on the latest data and trends associated with current and new influenza vaccines/technologies and their availability/delivery/implementation worldwide.

The IVW 2017 Scientific Advisory Panel invites the influenza community worldwide to submit abstracts for consideration for inclusion in the IVW 2017 oral & poster scientific programmes.

Universal Influenza Vaccines – Latest Developments

Abstract Submissions

The IVW 2017 Scientific Advisory Panel require authors to submit a one page abstract for each paper they wish to be considered for inclusion in the oral and/or poster programs during IVW 2017. The one page abstract should contain sufficient information for the committee to be able to make a valid decision as to the intrinsic merit of the paper and its relevance to the aims of the conference. Authors should indicate on the reply form whether they prefer oral or poster presentation. Proposals are also invited for panel discussions and special workshops – these special sessions may be scheduled during the daytime conference timetable or alternatively can be allocated as either breakfast or evening sessions.

Abstract proposals should be sent for the attention of John Herriot at Meetings Management (IVW 2017 Conference Organisers). Authors should send their abstract(s) by e-mail to: jherriot@meetingsmgmt.u-net.com (please attach abstracts as Word documents).

Closing date for submissions intended for oral presentation: **Friday 25th November 2016**. Authors will be informed of the status of their contribution(s) in December 2016. Closing date for submissions intended for poster presentation: **Friday 17th March 2017**.

Publication

Abstracts of all papers to be presented (oral and poster) will be included on a USB device which will be distributed to delegates on registration.

Participation

All non-invited speakers will be expected to register as delegates to IVW 2017. Registration will require speakers to pay a registration fee to attend the conference. Travel and accommodation expenses are the responsibility of each non-invited speaker and no direct compensation is awarded for speakers at IVW 2017. **Your submission of an abstract testifies to the fact that you will accept these financial conditions.**
